

DIVISION OF MEDICAL SCIENCES

January/Spring '15 Course Schedule

		8:00 - 8:30	8:30 - 9:00	9:00 - 9:30	9:30 - 10:00	10:00 - 10:30	10:30 - 11:00	11:00 - 11:30	11:30 - 12:00	12:00 - 12:30	12:30 - 1:00	1:00 - 1:30	1:30 - 2:00	2:00 - 2:30	2:30 - 3:00	3:00 - 3:30	3:30 - 4:00	4:00 - 4:30	4:30 - 5:00	5:00 - 5:30	5:30 - 6:00	6:00 - 6:30	6:30 - 7:00	7:00 - 7:30	7:30 - 8:00	8:00 - 8:30	8:30 - 9:00	9:00 - 9:30		
JANUARY COURSES 2015*	BCMP 301qc.	M-F 9:30 - 4:00																												
	DRB 330qc/331	M-Sa. 10:30 - 6:00																												
	Genetics 390qc/391qc	M-F 8:30 - 4:00																												
	HBTM 301qc.	M-Th. 9- 11; F. 9-10																												
	Microbiology 302qc.	M-F 9:00 - 5:00																												
	SHBT 203	M-F 9:30 - 10:30, Lab 10:30 - 1:30																												
Virolgy 301qc.																			Tu & Th 4:30 - 6:00											
MONDAY	BCMP 234	9:00 - 10:30																												
	Cell Biology 201	10:30 - 12:00																												
	Cell Biology 207													2:00 - 4:00																
	Cell Biology 212											12:30-2:00																		
	Cell Biology 304qc											12:00 - 7:00																		
	Cell Biology 308qc											1:00- 4:00																		
	Genetics 202											12:30 - 4:00																		
	HBTM 305qc											3:00 - 5:00																		
	Immunology 301qc											4:00 - 6:00																		
	Neurobiology 204	10:00 - 12:00																												
	SHBT 202	Clinical Observations 8:00 - 3:00										5:00 - 7:00																		
	SHBT 203	9:30 - 10:30				Lab 10:30 - 1:00																								
	SHBT 205	9:30- 11:30																												
	Virolgy 201													2:30 - 4:00																
	BCMP 213											3:30 - 5:00																		
	BCMP 236											3:30 - 5:00																		
	BCMP 310qc											2:00 - 3:00																		
	Cell Biology 207											2:00 - 4:00																		
	Genetics 219	11:00 - 2:00																												
	HBTM 200 (HT. 035)	9:00 - 11:00																												
	Immunology 202											1:30 - 4:00																		
	Immunology 302qc											12:00 - 1:00																		
	Immunology 303qc											4:00 - 6:00																		
	Microbiology 201	10:00 - 12:00																												
	Neurobiology 211	9:00 - 11:00																												
	Neurobiology 310qc											5:30 - 7:30																		
	SHBT 202	Clinical Observations 8:00 - 3:00										5:00 - 7:00																		
	SHBT 203	9:30 - 10:30				Lab 10:30 - 1:00																								
SHBT 204	11:00 - 12:30																													
	BCMP 234	9:00 - 10:30																												
	Cell Biology 201	10:30 - 12: 00																												
	Cell Biology 212											12:30 - 2:00																		
	Cell Biology 304qc											12:00 - 7:00																		
	Cell Biology 308qc.											1:00- 4:00																		
	Immunology 301											12:15 - 1:15				3:30 - 5:00 (disc.)														
	Neurobiology 204	10:00 - 12:00																												
	SHBT 202	Clinical Observations 8:00 - 3:00										5:00 - 7:00																		
	SHBT 203	9:30 - 10:30				Lab 10:30 - 1:00																								
	SHBT 205	9:30- 11:30																												
	Virolgy 201													2:30 - 4:00																
		BCMP 213											3:30 - 5:00																	
BCMP 236												3:30 - 5:00																		
BCMP 310qc												2:00 - 4:00																		
Cell Biology 207												2:00 - 4:00																		
Cell Biology 309qc.																								6:00 - 7:30						
Genetics 302qc.												1:00 - 3:30																		
HBTM 200 (HT. 035)		9:00 - 1:00																												
HBTM 304qc.												5:00 - 7:00																		
Immunology 202												1:30 - 4:00																		
Immunology 204		10:00 - 1:00																												
Immunology 305qc.												4:00 - 6:00																		
Microbiology 201		10:00 - 12:00																												
Microbiology 213												1:00 - 4:00																		
Neurobiology 211		9:00 - 11:00																												
SHBT 202		Clinical Observations 8:00 - 3:00										5:00 - 7:00																		
SHBT 203		9:30 - 10:30				Lab 10:30 - 1:00																								
SHBT 204	11:00 - 12:30																													
FRIDAY	BCMP 234	9:00 -10:30																												
	BCMP 303qc.	9:00 - 12:00																												
	Cell Biology 201	10:30 -12: 00 (sections)																												
	Cell Biology 304qc											12:00 - 7:00																		
	Cell Biology 308qc.											1:00- 4:00																		
	Genetics 228											2:00- 5:00																		
	Immunology 306qc.	9:00- 11:00																												
	Microbiology 210	8:30, 9:45- 11:45																												
	Neurobiology 211	9:00 - 11:00																												
SHBT 202	Clinical Observations 8:00 - 3:00										5:00 - 7:00																			
SHBT 203	9:30 - 10:30				Lab 10:30 - 1:00																									
JUNE '15	Cell Biology 308qc.	From May 29 - June 19, 2015 M,W,F 1-4:00
