

Division of Medical Sciences
Fall 2014 Course Schedule
Start date for fall term: Tuesday, September 2

		8:00 - 8:30	8:30 - 9:00	9:00 - 9:30	9:30 - 10:00	10:00 - 10:30	10:30 - 11:00	11:00 - 11:30	11:30 - 12:00	12:00 - 12:30	12:30 - 1:00	1:00 - 1:30	1:30 - 2:00	2:00 - 2:30	2:30 - 3:00	3:00 - 3:30	3:30 - 4:00	4:00 - 4:30	4:30 - 5:00	5:00 - 5:30	5:30 - 6:00	6:00 - 6:30	6:30 - 7:00	7:00 - 7:30	7:30 - 8:00	8:00 - 8:30	8:30 - 9:00	9:00 - 9:30
AUGUST '14	Neurobiology 306qc	Bootcamp course: Friday 8/11 through Friday 8/22 M., W., 9-5; Tu., Th., 1-5																										
MONDAY	BCMP 200	10:45- 12:15																										
	BCMP 228															2:00 - 3:30												
	Genetics 201	9:00 - 10:20																										
	HBTM 201																					5:00 - 7:00						
	HBTM 235	9:00 - 10:30																										
	Immunology 307qc.															4:00 - 6:00												
	MEDSCI 250ab.(HT 010)															1:30 - 2:30		Lab 2:30-6										
	Neurobiology 200 (HT130)	8:30 - 12:00																										
	Neurobiology 230															3:30 - 5:30												
	Neurobiology 305qc															2:00 - 4:00												
VIR 200															1:30 - 3:00		3:00 - 6:00											
TUESDAY	BBS 230															3:00 - 6:00												
	BCMP 218 (HT 140)															1:00 - 3:00												
	Cell Biology 305qc.															3:00 - 5:00												
	Genetics 220 (HT160)															2:00 - 5:00												
	Immunology 201															1:30 - 3:00 (Group session 3-4)												
	Microbiology 202	10:00 - 11:30																										
	Microbiology 205 (HT205)	8:30 - 12:30																										
	Microbiology 214	10:00 - 12:00																										
	Neurobiology 220	9:00 - 12:00																										
	Neurobiology 301qc.															3:00 - 5:00												
WEDNESDAY	SHBT 200															1:00 - 2:30												
	SHBT 201	9:00 - 10:30																										
	SHBT 206															4:00 - 6:00												
	BCMP 200	10:45- 12:15																										
	BCMP 308qc.															1:30 - 3:30												
	HBTM 235	9:00 - 10:30																										
	HBTM 303qc.															3:00 - 5:00												
	Genetics 201	9:00 - 10:20																										
	Immunology 301									12:15 - 1:15				Discussion 3:30-5														
	MEDSCI 250ab.(HT 010)															1:30 - 2:30		Lab 2:30-6										
Neurobiology 200 (HT130)	8:30 - 12:00																											
SHBT 200															12:00 - 1:00													
Virology 200															1:30 - 3:30													
Virology 202															1:45 - 5:00													
THURSDAY	BBS 230															3:00 - 6:00												
	BCMP 230															3:00 - 6:00												
	Cell Biology 306qc															1:00 - 3:30												
	HBTM 302qc	11:00 - 1:00																										
	Immunology 201															1:30 - 3:00 (Group session 3-4)												
	Microbiology 202	10:00 - 11:30																										
	Microbiology 205 (HT 205)	8:30 - 12:30																										
	Microbiology 214	10:00 - 12:00																										
	Neurobiology 220	9:00 - 12:00																										
	SHBT 200															1:00 - 2:30												
SHBT 201	9:00 - 10:30																											
FRIDAY	BCMP 200	10:45- 12:15																										
	BCMP 228															2:00 - 3:30												
	Cell Biology 226															2:00 - 5:00												
	Genetics 201	9:00 - 10:20																										
	Genetics 220 (HT 160)	8:30 - 12:30																										
	HBTM 235	9:00 - 10:30																										
	MEDSCI 250ab.(HT 010)															1:30 - 2:30		Lab 2:30-6										
	Neurobiology 200 (HT130)	8:30 - 10:30																										
JANUARY COURSES 2015	BCMP 301qc.	Monday through Friday 9:30 - 4:00 (TBC)																										
	Cell Biology 301qc.	Monday through Friday 9:30 - 5:00 (TBC)																										
	Cell Biology 310qc.															M- F 2:30 - 4:30 (TBC)												
	DRB 330qc.	Thursday and Friday 9:00 - 5:00 (TBC)																										
	Genetics 390	Monday through Friday 8:30 - 4:00 (TBC)																										
	HBTM 301qc.	M-F 9:00 - 5:00 (TBC)																										
	Microbiology 302qc.	Monday through Friday 9:00 - 5:00 (TBC)																										
	SHBT 203	Monday through Friday 9:30- 10:30														Lab 10:30- 1:30 (TBC)												
Virology 301qc.	T & Th 4:30 - 6:00 (TBC)
