

Division of Medical Sciences
Fall Semester 2013/ January 2014 Courses
Course Schedule

		AM										PM																
		8:00-8:30	8:30-9:00	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-1:00	1:00-1:30	1:30-2:00	2:00-2:30	2:30-3:00	3:00-3:30	3:30-4:00	4:00-4:30	4:30-5:00	5:00-5:30	5:30-6:00	6:00-6:30	6:30-7:00	7:00-7:30	7:30-8:00	8:00-8:30	8:30-9:00	9:00-9:30
AUGUST '13	Neurobiology 306qc.	Bootcamp course - Friday 8/14 through Friday 8/23 9:00 - 5:00																										
MONDAY	BCMP 200	10:45- 12:15																										
	Genetics 201	9:00 - 10:30														5:00 - 7:00												
	HBTM 201																											
	HBTM 235	9:00 - 10:30																										
	Immunology 307qc.											1:30 - 2:30						4:00 - 6:00										
	MEDSCI 250ab.(HT 010)	9:00 - 12:00																										
	Neurobiology 200 (HT130)	9:00 - 12:00																										
Neurobiology 230											3:30- 5:30																	
VIR 200											1:30 - 3:00																	
TUESDAY	BBS 230											3:00 - 6:00																
	BCMP 218 (HT 140)											1:00 - 3:00																
	Genetics 220 (HT160)											2:00 - 5:00																
	HBTM 302qc.											3:00 - 5:00																
	Immunology 201											1:30- 3:00 group session 3-4																
	Microbiology 202	CANCELLED																										
	Microbiology 205(HT205)	8:30- 1:00																										
	Neurobiology 220	9:00 - 12:00																										
	Neurobiology 301qc.											3:00 - 5:00																
	Neurobiology 305qc.											3:30 - 5:30																
	SHBT 200											1:00 - 2:30																
SHBT 201	9:00 - 10:30																											
SHBT 206											4:00 - 6:00																	
WEDNESDAY	BCMP 200	10:45- 12:15																										
	BCMP 308qc.											1:30- 3:30																
	Cell Biology 305qc											3:00 - 5:00																
	HBTM 235	9:00 - 10:30																										
	HBTM 303qc.											3:00 - 5:00																
	Genetics 201	9:00 - 10:30																										
	Immunology 301											12:15- 1:15				Discussion 3:30 - 5:00												
	MEDSCI 250ab.(HT 010)	9:00 - 12:00																										
	Neurobiology 200 (HT130)	9:00 - 12:00																										
	SHBT 200											12:00																
	Virology 200											1:30 - 3:30																
Virology 202											1:30 - 4:45																	
THURSDAY	BBS 230											3:00- 6:00																
	BCMP 230											3:00 - 6:00																
	Cell Biology 306qc.											2:00 - 4:30																
	Immunology 201											1:30- 3:00 group session 3-4																
	Microbiology 202	CANCELLED																										
	MICRO 205 (HT 205)	8:30- 1:00																										
	Neurobiology 220	9:00 - 12:00																										
	SHBT 200											1:00- 2:30																
	SHBT 201	9:00 - 10:30																										
FRIDAY	BCMP 200	10:45- 12:15																										
	Cell Biology 226											2:00 - 5:00																
	Genetics 220 (HT 160)	8:30 - 12:30																										
	Genetics 201	9:00 - 10:30																										
	HBTM 235	9:00 - 10:30																										
	MEDSCI 250ab.(HT 010)	9:00 - 12:00																										
Neurobiology 200 (HT130)	9:00 - 12:00																											
PREVIEW OF JANUARY COURSES 2014 (to be confirmed)	BCMP 301qc.	Monday through Friday 9:30 - 4:00																										
	Cell Biology 301qc.	TO BE CONFIRMED																										
	Cell Biology 310qc.											TO BE CONFIRMED																
	Cell Biology 311qc	January 6 to 22, 2014, 9-6																										
	DRB 330qc.	January 6 to 17, 2014, Monday through Sat., 12 -6																										
	Genetics 390qc and 391qc	Monday through Friday 8:30 - 4:00																										
	HBTM 301qc.	TO BE CONFIRMED																										
	Microbiology 302qc.	TO BE CONFIRMED																										
	SHBT 203	TO BE CONFIRMED																										
Virology 301qc.											TO BE CONFIRMED
